

SUPREME COURT
STATE OF CONNECTICUT

NO. SC 18612

SUSAN BYSIEWICZ

v.

NANCY DINARDO ET AL.

: MAY 18, 2010

ORDER

The Court has concluded that:

- (1) the trial court correctly determined that the plaintiff has standing and the issues before the court were ripe for adjudication;
- (2) the trial court improperly determined that the plaintiff satisfied the requirements of General Statutes § 3-124; and
- (3) we conclude that General Statutes §3-124 is constitutional.

Accordingly, the judgment of the trial court is reversed and the case is remanded to the trial court with direction to render a declaratory judgment that the plaintiff fails to satisfy the requirements of General Statutes § 3-124. A written opinion will follow. This is the unanimous decision of the Court.
